BIOGANCE
pure elegance

— the french green pet care specialist —

PREDSTAVITEV

BIOGANCE® je prva naravna kozmetična linija, zasnovana z naravno formulo iz naravnih in organskih sestavin. **BREZ parabena, dodanih barvil in kemičnih substanc.**

Linija je zasnovana na podlagi spoštovanja do ljudi, njihovih ljubljencev in do okolja. **BIOGANCE®** je filozofija, ki temelji na izboljšanju kvalitete življenja naših ljubljencev in varovanju okolja.

BIOGANCE® je edinstvena izkušnja, zavestna odločitev kupca, da ponudi svojim ljubljencem najboljše.

BIOGANCE® je razmerje med eleganco in naravo. Popolna kombinacija, ki ponuja, tudi najbolj zahtevnim kupcem, optimalno zadovoljstvo.

KAKOVOST

BIOGANCE® linija je v celoti izdelana v Franciji, pod strogim veterinarskim in farmacevtskim nadzorom. Hipoalergena in uravnotežena pH formula spoštuje naravne zahteve kože in dlake ter zmanjšuje možnost nastanka alergij.

Skrbno izbrane organske sestavine za posebne zahteve vseh kožuščkov.

BIOGANCE® izdelki niso testirani na živalih.

PRESENTATION

BIOGANCE® is the first pet care line, directly inspired from our nature and especially formulated with natural and organic ingredients. **Paraben free, colorant free and detergent free.**

Based on the value of respecting people, their pets and the environment, **BIOGANCE®** philosophy helps to participate to enhance our pet's lives and the environment.

BIOGANCE® is unique experience, a conscious consuming choice and a will to give the best to his pet.

BIOGANCE® is a marriage between elegance and organic to better meet the specific needs of the most exigent customers who are concerned about quality and sustainable development issues.

QUALITY

BIOGANCE® line is 100% made in France under veterinary and pharmaceutical supervision. Hypoallergenic and balanced pH formulations to respect our pet's natural coat balance while reducing risks of allergies.

High premium ingredients to meet the specific needs of each breed.

BIOGANCE® products are cruelty free.

RAZISKAVE & RAZVOJ (R&D)

Naša mlada ekipa strokovnjakov (inženirji, veterinarji in farmacevti) nenehno inovira in izboljšuje izdelke za dobro naših kosmatincev.

Program BIOGANCE® bo nadaljeval s svojim pionirskim delom na področju kozmetičnih izdelkov za naše ljubljence. S pomočjo edinstvene formule z organskimi sestavinami, so naši izdelki še posebno nežni in naravni, ob tem pa skrbimo za čisto okolje.

Naš R&D oddelek pri svojem delu uporablja podobne standarde in postopke kot jih imajo boljše kozmetične hiše v Franciji.

RESEARCH & DEVELOPEMENT

Our young R&D team (engineers, vets and pharmacists) are continually innovating and improving our pets well being with a constant concern of respecting our ethic and the environment.

Program BIOGANCE® will continue pioneering the pet care market by formulating unique, mild and natural products using organic ingredients and respecting our ethic and the environment.

Our R&D department is using similar processes and standards of the human French cosmetic industry.

PROIZVODNJA

Vsi **BIOGANCE®** izdelki so izdelani v naših lastnih proizvodnih prostorih, kar nam daje popolno neodvisnost in fleksibilnost za optimalno delovanje.

Zaupajte našim 30 letnim izkušnjam v kozmetični industriji.

PRODUCTION

All **BIOGANCE®** products are produced in our own premises which offer our brand a complete autonomy, a full flexibility and optimal reactivity.

With **30 years** experience in producing premium beauty and pet health care products, our factory is a reference in terms of the cosmetic sector.
